Verse  1
E               F#          D#m                 E
Forty days to wander,       forty days to die to self.
E               F#                G#m           F#        B
Forty days to grow stronger,  as faith breaks open the gates of hell!
E               F#          D#m               E
The jubilee is over,          but grace is far from gone!
E                     F#              G#m      F#          B
In the hearts of the faithful, broken on the wheels of love!

Chorus
          E              F#            B        F# /A#        G#m
In the desert of temptation, lies the storm of true conversion
             E                   F#           G#m      F#    B
Where the springs of living water drown and refresh you,
          E                  F#              B        F# /A#        G#m
as the Jordan pours out change, your true self is all that remains,
          E                      F#           C#m                      E
where springs of living water bind and break you! Bind and break you

E F# D#m E
2x

Verse 2:
E               F#          D#m              E
Forty days to remember    the Paschal Sacrifice
E                 F#              G#m    F#        B
Forty days to discover His passion calls us to new life
E               F#   D#m                 E
The jubilee is over     but mercy's far from gone
E                     F#               G#m       F# /A#          B
In the arms of the Father As the wayward child comes home

Chorus:
                  E              F#                B         F# /A#          G#m
'Cause in the desert of temptation, lies the storm of true conversion
             E                   F#           G#m      F#    B
Where the springs of living water drown and refresh you,
          E                  F#              B        F# /A#        G#m
as the Jordan pours out change, your true self is all that remains,
             E                   F#           G#m       E    F#
where springs of living water bind and break you…
