## Intro

C Em F C

## Verse 1

Finally got some money saved, carved out a quiet space  
Where I knew everything was safe and sound  
I took pride in living free, had to chase my dreams  
But it looks like everything is changing now

## Chorus 1

All because of you, all because of you  
You're the one to blame, for everything that's changed  
Yeah, it's all because of you

## Verse 2

Finally got a bit comfortable  
Living in my own little world  
My plans for the future were all laid out  
All the ways that I had control  
All the places I thought I'd go  
Everything that I knew before is upside down

[Chorus 1]

## Bridge

Well, the truth is too much can just get boring  
And I don't really need a sporty car  
And I used to say that I would like to see the world  
Now my world is right here, sleeping in my arms

## Verse 3

You see, your mom and me, thought we had everything  
Couldn't see the missing piece 'til you came to us

You changed the song I sing, you changed the prayers I bring  
But I wouldn't trade a thing for how it was

#### Chorus 2

All because of you, all because of you  
You are showing us a whole new kind of love  
And I finally understand the way the Father feels for us  
I thank God you came, I'll never be the same  
And it's all because of you
