Intro

F F F

Verse

Are you disappointed, are you desperate for help
You know what it's like to be tired and only a shell of yourself
Well you start to believe you don't have what it takes
'Cause it's all you can do just to move much less finish the race
But don't forget what lies ahead

Chorus

Almost home, brother, it won't be long
Soon all your burdens will be gone
With all your strength, sister, run wild, run free
Hold up your head, keep pressing on
We are almost home, almost home, almost home

Verse

Well this road will be hard, but we win in the end
Simply because of Jesus in us, it's not if but when
So take joy in the journey, even when it feels long
Oh, find strength in each step knowing Heaven is cheering you on

Chorus

Bridge

I know that the cross has brought Heaven to us
But make no mistake, there's still more to come
When our flesh and our bone are no longer between
Where we are right now and where we're meant to be

When all that's been lost is made whole again
When these tears and this pain no longer exist
No more walking, we're running as fast as we can
Consider this our second wind

Chorus

Ending

We are almost home, almost home, almost home
We are almost home
