

# Amazed Chords (Key of E)

by Jared Anderson and Lincoln Brewster

<https://worshipchords.com/amazed/>

## Verse 1

You dance over me                    E            A                    B  
While I am unaware                    E            A                    B  
You sing all around                    E            A                    B  
but I never hear the sound                    F#m                    B

## Chorus

Lord I'm amazed by You                    A                    B  
Lord I'm amazed by You                    E                    A  
Lord I'm amazed by You                    F#m                    B  
And how You love me                    E                    E

## Verse 2

You paint the morning sky                    E            A                    B  
With miracles in mind                    E            A                    B  
My hope will always stand                    E            A                    B  
For You hold me in Your hand                    F#m                    B

(REPEAT CHORUS x2)

## Bridge

How deep                    A            B  
How wide                    E            A  
How great is Your love for me                    F#m                    B                    E
