Verse 1

[this song centers around the Bm chord but mostly without the .
It is meant as a prophetic song concerning the second coming of
Jesus. A warning to not be caught off guard when He returns]

Verse 2

D5

, is ticking by and I can feel an explosion inside
And , is ticking by and I can feel an explosion inside
As in the days of Noah, as in the days of Noah
There'll be drinking, merrying, laughing, as in the days of Noah
What a fool, they say to build a boat on sand, what a fool they say
It's never rained before
It's never rained before
It's never rained before
As in the days of Noah so it will be with the coming of the Son of Man
And what a fool they say, to fast and pray
And what a fool they say, come on it's been 2000 years
Do you really think that He's coming, come on let's just get real
And remember this first that many and many scoffers will come
And when the rain starts falling, it's too late, it's too late
And when the rain starts falling, it's too late, its' too late
As in the days of Noah,
It's never rained before, it's never rained before
It's never rained before, it's never rained before
One day, two days, three days gone by
And , is ticking by and I can feel an explosion inside
People get ready, Jesus is coming
And many, many, many, many scoffers will rise in that day
And they'll say,
It's never rained before, it's never rained before
It's never rained before, it's never rained before
It's never rain, rain go away
Hiding from the wrath of the lamb
'Cause when the rain starts fallin', it's too late, it's too late
And when the rain starts fallin', it's too late, it's too late
And when the rain starts fallin', it's too late, it's too late
And when the rain starts fallin', it's too late, it's too late
And when the rain starts fallin', it's too late, it's too late
