

# Befriended Chords (Key of G)

by Matt Redman

<https://worshipchords.com/befriended/>

**Gm7**            **Csus**                            **F**  
Befriended, befriended by the King above all kings  
**Gm7**            **Csus**                                    **F**  
Surrendered, surrendered to the friend above all friends

**Gm7**            **Csus**                                    **F**  
Invited, invited deep into this mystery  
**Gm7**            **Csus**                                    **F**  
Delighted, delighted by the wonders I have seen

Chorus:

**A#**    **Gm7**    **Csus**  
This will be my story  
                  **F**  
This will be my song  
                  **A#**    **Gm7**    **Csus**  
You'll always be my Saviour,    Jesus  
                  **F**  
You will always have my heart

Second Verse:

**Gm7**            **Csus**                                    **F**  
Astounded, astounded that Your gospel beckoned me  
**Gm7**            **Csus**                                    **F**  
Surrounded, surrounded but I've never been so free

Bridge:

**Dm7**    **Csus**                                    **F**  
Determined, determined now to live this life for You  
                  **Dm7**    **Csus**                                    **F**  
Your so worthy my greatest gift would be the least You're due
