Intro

Am C G Am

Verse

Am C
You broke through a thousand fences
G Am
Been rescued from a thousand ditches
You still swear you don't fit in
C
So you kick and scream and you're gone again
G Am
Wandering off into the devil's wind

Chorus

F
But how's it going out there
Acting like you ain't scared
Am
How's that heart of stone
Ain't so hard when you're alone
G
Crying tears you hope nobody sees
F
Guess the good news is He'll never leave you be
Am
Jesus loves you, black sheep

Interlude

Am C G Am

Verse

Am C
You hate everything about you
G Am
You think we're better off without you
You wear your pain out on your sleeve
C
And you paint it on in rebel ink
G Am
But the alcohol and pills ain't fixed a thing

Chorus
