## Intro

Em G D Em

## Verse

Em G  
You broke through a thousand fences  
D Em  
Been rescued from a thousand ditches  
You still swear you don't fit in  
G  
So you kick and scream and you're gone again  
D Em  
Wandering off into the devil's wind

## Chorus

C  
But how's it going out there  
Acting like you ain't scared  
Em  
How's that heart of stone  
Ain't so hard when you're alone  
D  
Crying tears you hope nobody sees  
C  
Guess the good news is He'll never leave you be  
Em  
Jesus loves you, black sheep

## Interlude

Em G D Em

## Verse

Em G  
You hate everything about you  
D Em  
You think we're better off without you  
You wear your pain out on your sleeve  
G  
And you paint it on in rebel ink  
D Em  
But the alcohol and pills ain't fixed a thing
