Intro

E E2 E E2

Verse 1

E E2
Teach us oh Lord what it really means
E E2
To rend our hearts instead of outer things
E E2
And teach us oh God what we do not see
E E2 F#m
About our hearts and of Your our ways
C#m B F#m
And Father deal with our carnal desires
C#m B F#m
To move in Your power but not live the life
C#m B F#m
And to love our neighbor with all that we have
C#m B
And keep our tongues from saying
Bsus B E
Things we have not seen

Chorus

A
Oh break our hearts
F#m E
With the things that break Yours
A F#m E
If we sow in tears we will reap in joy
A F#m E
That we might pass through Your refining fire
A F#m E
Where brokenness awaits on the other side
A F#m E A F#m
Brokenness awaits on the other side

Verse 2

E E2
Raise up an army like Joel saw
E E2
Your church that is stronger than ever before
E E2
They do not break ranks
When they plunge through defenses
E E2 F#m
But the fear of the Lord will be their wisdom
C#m B F#m
That they might weep as Jesus wept
C#m B F#m
A fountain of tears for the wounded and lost
C#m B F#m
Who ever heard of an army of God

C#m B F#m
That conquered the earth by weeping
 Bsus B E
And mourning and brokenness

Bridge

E A
 But there will be a day
 F#m E
When the nations will bow
 A F#m E
And our Lord will be King over all the earth
 A F#m E
And He will be the only One
 A F#m E
And also His name will be the only one
