Intro

**Am7 F F G**

Verse 1

**Am7 F G Am7**

A life you cannot define,

**F G Am7**

A purpose that's benign,

**F G Am7**

They need to see and believe,

**F G F**

Be led to the rugged tree.

Pre-chorus

**Gsus**

The one on which He cried,

**F**

Not for His pain, but for our debt.

**Gsus F**

The very same tree that He conquered death.

**Gsus F**

'Twas an unfair deal on the part of Christ;

**Gsus F Gsus G C**

He got my sin I got eternal life.

Chorus

**G/B G C F**

Oh Make me the breath of God.

**G**

And I'll show them the One

**C**

That means the most to me,

**G/B G F**

They'll see the face of love,

**G**

Be touched by the very One

**C Am7 Am9 Fsus2**

That died upon the tree.

Verse 2

**Am7 F G Am7**

Small talk is a better choice,

**F G Am7**

A way to avoid Your voice.

**F G Am7**

I need to feel the dust on my knees,

**F G F**

And lead them to the tree.

Bridge

**G Fsus2**

Will you follow me, lead them to the tree?

**G**

Can't you just believe?  
Fsus2 G  
Will you take a knee for eternity,  
Fsus2 G C  
For eternity, for eternity?

Ending  
Oh, I'll be the breath of God.
