A life you cannot define,

A purpose that's benign,

Be led to the rugged tree.

Pre-chorus

A#sus

The one on which He cried,

G#

Not for His pain, but for our debt.

The very same tree that He conquered death.

A#sus G#

'Twas an unfair deal on the part of Christ;

A#sus G# A#sus A# D#

He got my sin I got eternal life.

Chorus

A# /D A# D# G#

Oh Make me the breath of God.

A#

And I'll show them the One

D#

That means the most to me,

A# /D A# G#

They'll see the face of love,

A#

Be touched by the very One

That died upon the tree.

Cm7 G# A# Cm7

Small talk is a better choice,

G# A# Cm7

A way to avoid Your voice.

G# A# Cm7

I need to feel the dust on my knees,

G# A# G#

And lead them to the tree.

Bridge

A# G#sus2

Will you follow me, lead them to the tree?

A#

Can't you just believe?  
G#sus2 A#  
Will you take a knee for eternity,

For eternity, for eternity?

Ending  
Oh, I'll be the breath of God.
