Intro

Em7 C C D

Verse 1

Em7 C D Em7
A life you cannot define,
C D Em7
A purpose that's benign,
C D Em7
They need to see and believe,
C D C
Be led to the rugged tree.

Pre-chorus

Dsus
 The one on which He cried,
C
 Not for His pain, but for our debt.
Dsus C
 The very same tree that He conquered death.
Dsus C
 'Twas an unfair deal on the part of Christ;
Dsus C Dsus D G
 He got my sin I got eternal life.

Chorus

Oh Make me the breath of God.
And I'll show them the One
That means the most to me,
They'll see the face of love,
Be touched by the very One
That died upon the tree.

Verse 2

Em7 C D Em7
Small talk is a better choice,
C D Em7
A way to avoid Your voice.
C D Em7
I need to feel the dust on my knees,
C D C
And lead them to the tree.

Bridge

Will you follow me, lead them to the tree?

Can't you just believe?

Csus2 **D**

Will you take a knee for eternity,

Csus2 **D G**

For eternity, for eternity?

Ending

Oh, I'll be the breath of God.
