Intro

G Em C G C G G Em C G

Verse 1

C G D Em
I've heard it said that music heals the soul
C G D
But I have a sung a thousand songs and they never made me whole
C G B Em
Until I joined the holy chorus that started long ago
C D C2
Though it carried me a while, still so many miles to go

Chorus

G Em C G C G
Help this broken man when the road is long
G Em C G C G
Write in me a melody so I can sing redemption songs
G Em
'Cause when push comes to shove
C G
Never be enough to make it on my own
C G D G C
Help this broken man's soul, help this broken man's soul

Verse 2

C G D Em
Now I've sung these words so many s before
C G D D7
But I never felt anything see I wanted something more
C G B Em
Then it came like rushing waters to these old dry and dusty bones
C D C2
Your life-giving words pick me up and take me home

[Chorus]

Interlude

D C G D C G D C G D C2

[Chorus]
