Intro

C Am F C F C C Am F C

Verse 1

F C G Am
I've heard it said that music heals the soul
F C G
But I have a sung a thousand songs and they never made me whole
F C E Am
Until I joined the holy chorus that started long ago
F G F2
Though it carried me a while, still so many miles to go

Chorus

C Am F C F C
Help this broken man when the road is long
C Am F C F C
Write in me a melody so I can sing redemption songs
C Am
'Cause when push comes to shove
F C
Never be enough to make it on my own
F C G C F
Help this broken man's soul, help this broken man's soul

Verse 2

F C G Am
Now I've sung these words so many s before
F C G G7
But I never felt anything see I wanted something more
F C E Am
Then it came like rushing waters to these old dry and dusty bones
F G F2
Your life-giving words pick me up and take me home

[Chorus]

Interlude

G F C G F C G F C G F2

[Chorus]
