Intro

D Bm G D G D D Bm G D

Verse 1

G D A Bm
I've heard it said that music heals the soul
G D A
But I have a sung a thousand songs and they never made me whole
G D F# Bm
Until I joined the holy chorus that started long ago
G A G2
Though it carried me a while, still so many miles to go

Chorus

D Bm G D G D
Help this broken man when the road is long
D Bm G D G D
Write in me a melody so I can sing redemption songs
D Bm
'Cause when push comes to shove
G D
Never be enough to make it on my own
G D A D G
Help this broken man's soul, help this broken man's soul

Verse 2

G D A Bm
Now I've sung these words so many s before
G D A A7
But I never felt anything see I wanted something more
G D F# Bm
Then it came like rushing waters to these old dry and dusty bones
G A G2
Your life-giving words pick me up and take me home

[Chorus]

Interlude

A G D A G D A G D A G2

[Chorus]
