Intro: E C#m B E E/G# A

Verse 1:

I want to hear you say well done  
I want to be welcomed in  
I want to feel Your love like sunshine on my resurrected skin

I want to hear the music play  
I want to hear the trumpet sound  
I want to hear You call my name, and watch my feet lift off the ground

Chorus:

So I will run Ooh and I won't quit  
Chasing your heart, just like David did  
And I'll come running through the gates  
Look into your face, oh I can hardly wait  
Until You carry my soul, carry my soul away  
Until You carry my soul, carry my soul away, oh oh oh

Verse2:

When everything is said and done  
And death has met its end  
I want to hear You call me son, be counted as Your faithful friend  
I want to see Your eyes like fire  
I want to see the scars that bled  
Oh, won't You take me higher, the place where angels fear to tread

Chorus:

A F#m E A A/C# D

So I will run! Ooh and I won't quit  
A F#m E A A/C# D
