Intro: E C#m B E E/G# A

Verse 1:

I want to hear you say well done

I want to be welcomed in

I want to feel Your love like sunshine on my resurrected skin

I want to hear the music play

I want to hear the trumpet sound

I want to hear You call my name, and watch my feet lift off the ground

Chorus:

So I will run Ooh and I won't quit

Chasing your heart, just like David did

And I'll come running through the gates

Look into your face, oh I can hardly wait

Until You carry my soul, carry my soul away

Until You carry my soul, carry my soul away, oh oh oh

When everything is said and done

And death has met its end

Oh, won't You take me higher, the place where angels fear to tread
