Intro: E C#m B E E/G# A

Verse 1:

I want to hear you say well done

I want to be welcomed in

I want to feel Your love like sunshine on my resurrected skin

I want to hear the music play

I want to hear the trumpet sound

I want to hear You call my name, and watch my feet lift off the ground

Chorus:

So I will run Ooh and I won't quit

Chasing your heart, just like David did

And I'll come running through the gates

Look into your face, oh I can hardly wait

Until You carry my soul, carry my soul away

Until You carry my soul, carry my soul away, oh oh oh

Verse2:

When everything is said and done

And death has met its end

I want to hear You call me son, be counted as Your faithful friend

I want to see Your eyes like fire

I want to see the scars that bled

Oh, won't You take me higher, the place where angels fear to tread
