Intro: E C#m B E E/G# A

Verse 1:

I want to hear you say well done  
I want to be welcomed in  
I want to feel Your love like sunshine on my resurrected skin

I want to hear the music play  
I want to hear the trumpet sound  
I want to hear You call my name, and watch my feet lift off the ground

Chorus:

So I will run Ooh and I won't quit  
Chasing your heart, just like David did  
And I'll come running through the gates  
Look into your face, oh I can hardly wait  
Until You carry my soul, carry my soul away  
Until You carry my soul, carry my soul away, oh oh oh

When everything is said and done  
And death has met its end  
I want to hear You call me son, be counted as Your faithful friend  
I want to see Your eyes like fire  
I want to see the scars that bled  
Oh, won't You take me higher, the place where angels fear to tread
