Verse 1
Let no one caught in sin remain
Inside the lie of inward shame
But fix our eyes upon the cross
And run to Him who showed great love
                   A2
And bled for us
                                A2
Freely You've bled for us
Chorus
Christ is risen from the dead
Trampling over death by death
Come awake, come awake
                                               В
Come and rise up from the grave
Christ is risen from the dead
We are one with Him again
Come awake, come awake
                                              В
Come and rise up from the grave
Verse 2
Beneath the weight of all our sin
You bowed to none but heaven's will
No scheme of hell, no scoffer's crown
No burden great can hold You down
In strength You reign
                                       A2
Forever let Your church proclaim
Bridge
                                    В
          A2
O death, where is your sting?
          A2
                                    В
O hell, where is your victory?
