D **A**
I'm walking through the bright white gates

Bm **G**
Breathing in and out Your grace

D **A**
All around me melodies rise

Bm **E**
That echo with a joy inside

G **A**
So I start sing

D **Bm**
But I can't sing loud enough, I can't sing loud enough

A **G**
When I'm singing for You My God

D **A**
With a thunder roll and a brilliant light

Bm **G**
Your glory bursts and the heavens shine

D **A**
Saints and Angels stand in awe

Bm **E**
Captured by the beauty of it all

G **A**
So I fall to my knees

D **Bm**
But I can't bow low enough, I can't bow low enough

A **G** **A** **D** **A**
At the vision of You my God

G **A** **D** **A**
I can't hold it all inside,

G **A** **D** **A**
I'm reaching for the one who brought me out of death and into life

D **Bm**
Now I can't lift my hands high enough, lift my hands high enough

A **G**
When I'm reaching for You my God

D **Bm**
And I can't reach my hands high enough, lift my hands high enough

A **G**
When I'm reaching for You my God
