## Intro

A A Bsus Bsus C#m7 C#m7 Bsus Bsus

## Verse

          C#m7                          Bsus  
Your love has ravished my heart  
                  E/G#                  A  
And taken me over, taken me over  
          C#m7                  Bsus  
And all I want is to be  
                  E/G#                  A  
With You forever, with You forever

## Chorus 1

E                          B/D#                          C#m  
Pull me a little closer, take me a little deeper  
                          A                          E  
I want to know Your heart, I want to know Your heart  
                                  B/D#                          C#m  
'Cause Your love is so much sweeter than anything I've tasted  
                          A  
I want to know Your heart, I want to know Your heart  
                          A  
I want to know Your heart  
                                  F#m7  E/G#  A  
I want to know Your heart
