## Intro

G G Asus Asus Bm7 Bm7 Asus Asus

## Verse

          Bm7                          Asus  
Your love has ravished my heart  
                  D/F#                  G  
And taken me over, taken me over  
          Bm7                          Asus  
And all I want is to be  
                  D/F#                  G  
With You forever, with You forever

## Chorus 1

D                          A/C#                          Bm  
Pull me a little closer, take me a little deeper  
                          G                          D  
I want to know Your heart, I want to know Your heart  
                                  A/C#                          Bm  
'Cause Your love is so much sweeter than anything I've tasted  
                          G  
          I want to know Your heart, I want to know Your heart  
                          G  
          I want to know Your heart  
                                  Em7  D/F#  G  
          I want to know Your heart
