Intro

Verse 1

I tempered the storm, though your faith was small
I prayed while you slept, and the night waged war
We stood in the fire, and we walked on sea
And we drank of the wine that was made of Me

Pre-chorus

Don't turn your eyes away from Me
For My love won't be undone
Don't hide your face from Me
For My light has surely come
Surely come surely come

Verse 2

I carried that cross, and I felt your pain
I took up your crown, and I wore your shame
And death was a fire, and its teeth were grim
But I left it behind, along with all your sin

[Pre-chorus]

Chorus

Lift up your eyes and see, heaven is closer than you know
Lift up your voice and sing, know that My love won't let you go
And I won't forsake you
Lift up your eyes and see, heaven is closer than you know
Know I'll never leave you
So lift up your voice and sing, know that My love won't let you go
And My light has surely come, surely come, surely come
