Verse

I'm standing here to testify, O the Lord is good
To sing of how He changed my heart, O the Lord is good
I was bound by hate and pride, O the Lord is good
Never knowing of His light, O the Lord is good
I did not think I could have peace, O the Lord is good
Trapped inside by fear and shame, O the Lord is good
You wiped away all of my grief, O the Lord is good
When I believed upon Your name

Chorus 1

Come to the light come as you are
You can be the friend of God
Humble yourself give Him your heart
He will meet you where you are

Chorus 2

Come to the Light just as you are
Fall on the Rock for the wasted years
He will restore all that was lost
Surrender now His power is here

Ending

Clap Your hands O God, clap Your hands O God
