Verse 1

I will dwell in Your promise, in the light of Your truth
You're the Hope that sustains me, always safe here with You
You are here in the valley, You are here in the storm
You're the glory of daylight, breaking through like the dawn

Chorus

You are God Most High, yet You hear my cry
And You run to my defense
And I will walk unharmed, angels all around
I will trust and not be moved

Interlude

C Dm/C C G/C

In Your love I'm protected, I will stand and I will sing
You're the God of angel armies, Heaven's wings over me

You won't let go, You won't give in
