```
Intro
C   F     C       C   C

Verse 1
 C                     F2         C
Alone in my sorrow and dead in my sin
Am                     G          C
Lost without hope, no place to begin
     C                      F2         C
Your love made a way to let mercy come in
     Am                     G         C
When death was arrested and my life began

Verse 2
C                      F2       C
Ash was redeemed, only beauty remains
Am                   G        C
My orphan heart was given a name
   C                       F2           C
My mourning grew quiet, my feet rose to dance
     Am7                    G        C
When death was arrested and my life began

Chorus
        F        C            Am7   G
Oh Your grace so free, washes over  me
         F                Am7              G
You have made me new, now life begins with You
         F       C             Am7     G
It's Your endless love, pouring down on us
         F                Am7              G         F2
You have made us new, now life begins with You

Verse 3
  C                            F2          C
Released from my chains, I'm a prisoner no more
   Am                     G           F2
My shame was a ransom He faithfully bore
   C                        F2           C
He cancelled my debt and He called me His friend
     Am                     G        C
When death was arrested and my life began

[Chorus]

Verse 4
    C                     F2         C
Our Savior displayed on a criminal's cross
F2                           G          Am7
Darkness rejoiced, as though heaven had lost
         C                    F2         C
But then Jesus arose with our freedom in hand
            Am7                    G         C
That's when death was arrested and my life began
```

```
            Am7                    G         C
That's when death was arrested and my life began

[Chorus]

Bridge
          C              F2          C
Oh we're free, free, forever we're free
Am7                   G         C
Come join the song of all the redeemed
           C              F2    C
Yes we're free, free, forever amen
     Am7                    G         C
When death was arrested and my life began

Ending
     Am7                    G         C
When death was arrested and my life began
          F2                     G          C
Yes when death was arrested and my life began
```
