Verse 1

I'm running through the gates of love as fast as I can
I can't wait to see you 'cause I'm a desperate man
You made the light and sent it down
To show us who you are now it's bursting out my heart

Chorus

My desire is burning like a million stars
And I'll keep reaching out reaching out for you
My desire is burning with the fire you sparked
And I'll keep reaching out reaching out for you

Verse 2

I'd be nothing without you yeah I would die
If I didn't have your hand if I couldn't look into your eyes
Jesus if your love's the fuel then I'm the desperate flame
That's screaming out your name

Bridge

This is your glory rising over a new horizon
I see your love I feel your smile
You're in my heart and I will run with all I have to you
