Verse 1
           F    F
In the beginning
                Dm
You spoke, there was light
                 C
Your word formed creation
                     Bb
And Your breath gave us life
                 F    F
We walked in the garden
             Dm
It brought You delight
                    C
How You loved to be with us
              Bb
We were fully alive

Chorus 1
           Gm   F   C
You have always been
           Dm   F/A   Bb
You will always be
    F     F   F     F
Emmanuel

Verse 2
                 F    F
Our fellowship broken
             Dm
As we were decieved
                C
The joy of the garden
           Bb
Was now out of reach
                   F    F
But You chose to pursue us
               Dm
You longed for us still
                C
You did not forsake us
              Bb
And You never will

Chorus 1
           Gm   F   C
You have always been
           Dm   F/A   Bb
You will always be
    F     F   F     F
Emmanuel
```

Verse 3
```
             F    F
A pillar of fire
                  Dm
That lit through the night
                     C
And the cloud of Your glory
             Bb
No one could deny
               F    F
We build You a temple
              Dm
But You wanted more
                  C
You longed for a people
                  Bb
That could be called Yours
```

Chorus 1
```
           Gm   F   C
You have always been
           Dm   F/A   Bb
You will always be
    F     F   F     F
Emmanuel
```

Verse 4
```
                  F    F
And then in the silence
              Dm
The Word became flesh
                C
Our God dwelt among us
               Bb
You gave us Your best
               F    F
You offered communion
              Dm
You gave up Your life
                C
You rose up in vict'ry
               Bb
And healed the divide
```

Chorus 2
```
           Gm   F   C
You have always been
