Verse 1

In the morning when I rise to meet You
In the morning when I lift my eyes
You're the only One I wanna cling to
You're the first thought on my mind

Let our voices rise, all creation cries
Singing out an endless alleluia
From this moment on, join with Heaven's song
Singing out an endless alleluia

In the moments where You go unnoticed
In the ordinary day to day
Countless miracles of life around us
Point like arrows to Your name

Only a moment to live this life
Like shooting stars burning up the night
