And right now, right now I'm losing bad

Well good thing, a little faith is all I have, right now

But God, when You choose to leave mountains unmovable
    D                            Em                 C
Oh give me the strength to be able to sing it is well with my soul

I know the sorrow, and I know the hurt

Would all go away if You'd just say the word
