I am a well, barren and dry

If there's a purpose for the struggle that I'm in

Chorus 1

Father let it be, help me to be - lieve

Father let me see the forest through the trees  
Help me under - stand these are the plans you have for me  
If it's Your will, God let it be

Here is my soul, desperate for You  
Praying the promises You made were for me too  
Here is my heart, torn but a - live  
Beating, searching for some - one to hear my cries

Oh I can feel you moving, I hear You calling me  
Fall deeper into my arms, that's where I long to be  
That's where I long to be

Verse 3

You made the stars, You call me by name

When I'm weary, You still hear me, so I'll pray

Chorus 2

Father let it be, help me to be - lieve  
Tell me all the stories of the times You felt like me

If it's Your will, God let it be
