Verse 1

A                    D2    D E                    A  
Find me in the river; find me on my knees.

D2  
I've walked against the water,  
D E    A Asus

Now I'm waiting, if You please.

A                    D2  
We've longed to see the roses,

D E                    A  
But never felt the thorns,

D2  
And bought our pretty crowns,  
D E                    A    Asus A

But never paid the price.

Chorus

A    D                                    A/C#  
Find me in the river; find me there.

D                    A/C#                    E  
Find me on my knees with my soul laid bare.

D                    A/C#                    E  
Even though You're gone and I'm cracked and dry,

F#m  
Find me in the river;  
D2                    D E                    A    Asus A

I'm waiting here for You.

Verse 2

A                    D2    D E                    A  
Find me in the river; find me on my knees.

D2  
I've walked against the water,  
D E                                    A Asus

Now I'm waiting, if You please.

A                    D2  
We didn't count on suffering,

D E                    A  
We didn't count on pain,

D2  
But if the blessing's in the valley,  
D E                    A    Asus A

Then in the river we'll wait.
