In the quiet of the night under the wide expanse of sky
I am alone and asking questions why
What's this longing in my heart
What's the reason for my life
And a sol-itary light is shin-ing calling

Chorus 1

Follow that star follow that star
Uncover the mys-tery of who You are
I've searched for a life- I've come from afar
And discovered my des-tiny is to follow that star
