Each of us has sinned, turned our back on Him
Fallen far from the glory of God
Still You made a way, called us out by name
Now we know the love of our God

For us and for our salvation
You came from heaven to earth
For love You carried the cross
Crucified for the life of the world

[Verse]

Up from the grave, You arose
Lifted high Jesus
You will come again and You will reign
Jesus reign

[Chorus]

Alleluia what a Savior, Alleluia
