I pour out all my love at Your feet

It flows like oil like a fragrant oil over you

It flows like oil like a fragrant oil over me

Bridge

D **D C#**
Over you it's spilling over me

Let its fragrance fill this house

A5 **Em**
With nowhere left to go
A5 **Em**
I'll follow and believe
A5 **Em** **D2**
I'll walk this narrow road as a friend

I find You in the least

I see You in their eyes

Your mercy's bowing me at Your feet
