Verse 1

G **Em7**
There's a ghost, there's a ghost inside of me

Different, oh, this ghost is different

Not one that leaves me scared to death
D **G** **D**
But puts my fears to rest

C **D** **G**
Oh, Holiness keep haunting me
C **D** **G**
Oh, You are my hope, You are my peace

Irony in a way, I'm no longer afraid
Am7
And a ghost is to blame

Opposite, this ghost is quite the opposite

He came just like a welcomed friend

And I was comforted
