Chorus

You made me alive, when I was dead
You raised me up, and seated me with Christ
It's by Your grace, that I am saved
It's through faith, it's the very gift of God

Verse 1

As for me I was dead in my transgressions
I was bound to my sin, bound to condemnation

Verse 2

As for me I was an object of His wrath
And fully deserving of death, fully deserving of death

Pre-chorus

You saw me there, because of Your great love
You saw me there, because You're rich in mercy

[Chorus]

Bridge

Eternally, I've been bought with blood
There will never be another sacrifice
