VERSE

In the light of Your glory and grace
Time is still and ev'rything fades away
You're the One that our hearts are set on
We're here for You Lord

CHORUS

There's a glory in the room when You show up
The anointing of Your presence is what
Over-flows my cup
Nothing satisfies my heart the way Your love
does
I am so amazed by You
Lord I am amazed by You

VERSE

Nothing else matters more than right now
'Cause You are the sweet treasure I've found
More and more I confess this one thing
There's Nothing like Your presence Nothing
like Your presence

presence
Nothing like Your presence Nothing like Your
presence
