```
Intro
   E
   C#m   A     E   C#m   A     E

Verse 1
C#m  A          E   C#m   A          E
 Created from dust,  You came and You lived among us
C#m  A          E                   C#m
 You took on our frame, You walked in our pain
              A       E
And now You're taking us higher

Verse 2
C#m   A          E  C#m   A          E
 You stepped into , You laid down Your life to save us
C#m  A          E                   C#m
 You took all our shame, on the cross it was laid
              A       E
And now You're taking us higher

Chorus 1
                  C#m      A       E
 'Cause we go from glory to glory to glory
                  C#m      A           E
We'll never be the same, we'll never be the same
            C#m      A       E
We go from glory to glory to glory
                  C#m   A         E
We're forever changed, forever changed

Verse 3
C#m   A          E   C#m       A          E
 You call me Your friend, brought into Your endless kingdom
C#m   A          E                   C#m
 By the blood I was made, no longer a slave
              A       E
And now You're taking us higher

[Chorus 1]

Bridge
A                        E                   B
 Until we reach that day, love conquers everything
                          C#m B
We'll cry an anthem singing, holy holy
A                        E                      B
 And when we see that day, we're standing face to face
                          C#m B      A
We'll shout an anthem singing, holy holy

Verse 4
C#m   A          E   C#m   A          E
 You took on the grave,  so not even death can shake us
```

```
C#m   A              E                        C#m
 The Victor has won, and heaven has come
                 A           E
And now You're taking us higher
                 A           E
And now You're taking us higher

Chorus 2
                    C#m        A         E
'Cause we go from glory to glory to glory
                    C#m         A            E
We'll never be the same, we'll never be the same
              C#m           A            E
You take us higher and higher and higher
                  C#m      A         E
We're forever changed, forever changed

Interlude
   C#m  A      E    C#m  A      E

[Chorus 2]

Ending
                    C#m        A         E
'Cause we go from glory to glory to glory
                    C#m        A         E
'Cause we go from glory to glory to glory
              C#m           A            E
You take us higher and higher and higher
                  F#m      A         E
We're forever changed, forever changed
```
