## Verse 1

**E**                      **B/D#**  
This is my prayer  
                         **A**  
This is my cry  
                 **B**                      **E**  
I want to go on loving You  
                         **B/D#**  
All through the joy  
                         **A**  
All through the fire  
                 **B**                      **A**  
I want to go on loving You  
                 **Bsus**                      **E**  
I want to go on loving You

## Verse 2

**E**                      **B/D#**                      **A**  
Seasons will change, people depart  
                 **B**                      **E**  
I want to go on loving You  
                 **B/D#**                      **A**  
In s of pain when life is hard  
                 **B**                      **A**  
And when the journey seems so long  
                 **Bsus**                      **E**  
I want to go on loving You

## Chorus

**C#m**                      **B**                      **F#m7**  
Your love for me, new as the dawn  
**E/G#**                      **A2**  
Older than  
**C#m**                      **B**                      **F#m7**  
Stronger than death, greater than life  
**E/G#**                      **A2**  
This love is mine

## Verse 3

**E**                      **B/D#**                      **A**  
In everything, through all my life  
                 **B**                      **E**  
I want to go on loving You  
                 **B/D#**                      **A**  
This is my prayer, this is my cry  
                 **C#m B**                      **F#m7**  
I want to go on loving You  
**E/G#**                      **A**                      **B**                      **E**  
I want to go on loving You

[Chorus]

Ending

E                    A                    B                    E  
I want to go on loving you
