Verse 1

C2 E **Dsus**
It's the way Your stars shine,
C2 E **Dsus** **C2 E**
Some so bright I swear I could hear,
Dsus
It's the way Your moonlight
C2 E **Dsus** **C2 E**
Falls on this mountain lake so clear
Dsus
And it's the way Your sunshine
C2 E **Dsus** **C2 E**
Paints Your evening sky, and
Dsus
It's the way Your rain falls
C2 E **Dsus**
To sing me to sleep at night and
C2
I fall, I fall into You.

Chorus

G **Dsus** **C2**
God of creation take my breath away,
G **Dsus** **C2** **C2 E Dsus**
God of the heavens, in this very space.

Verse 2

C2 E **Dsus**
It's the way You lead me,
C2 E **Dsus** **C2 E**
The way we walk by Your waters' still,
Dsus
And it's the way You hold me,
C2 E **Dsus** **C2 E**
The way You've felt all that I feel,
Dsus
And it's the way You touch me,
C2 E **Dsus** **C2 E**
And the way You know when it's needed most,
Dsus
It's the way You form Your words
C2 E **Dsus**
On my heart while I rest in You.
C2
Carry me away.

Bridge

C **Dsus** **Am7**
You enter suddenly, and I am lost again.
G/B **C**
Inside the majesty, oh, I am lost again.
Dsus **Am7**
And You come suddenly, 'cause I am lost again.

Inside the mystery, oh, I am lost again.

I am lost again,

Inside the majesty, inside the mystery.

Ending
