Verse 1
     C2          Em
We belong to You Father
        C2          G            D
Love has come we're orphans no longer
          C2               Em
Brought into Your light and freedom
        C2           G        D
By the blood and the mercy of Jesus

Pre-chorus
C            D             Em              G
 It's rising,  it's rising,   the song of hope from us set free
C            D             Em              D/F#
 It's rising,  it's rising,   it's rising up

Chorus
G          C2                      G
 Hallelujah  to You God of the Redeemed
          C2                       D      Em
Hallelujah  You've opened blinded eyes to see
                  C2                          G
We will praise You,  You are the everlasting light
          C2
Hallelujah  to You God of the redeemed

Interlude
 C         Em    D      C         Em    D

Verse 2
 D    C2          Em
 We belong to You Father
      C2        G          D
Living for Your glory and honor
    C2                  Em
Here on earth just as in heaven
         C2     G             D
We usher in the reign of Your Kingdom
