Verse 1

'Til you stop bleeding, 'til you stop breathing
Until your heart stops kick drum beating
When it's hard s, when it's long days
And the enemy is right up in your face
When your back's against the ropes
And you're feeling all alone

Chorus

Keep fighting the good fight
never give up never give in
Keep letting your light shine
holding it high as long as you live
'Cause I'm never gonna leave you
Always gonna see you through to the other side
Keep fighting the good, fighting the good
Fighting the good fight, good fight

Interlude 1

Cm G# D# A#

Verse 2

Even in the roadblocks, even when there's rough spots
When you feel you're giving all that you got
I'm with you in the next step, giving you the next breath
I'll be the voice saying you're gonna make it
When you're out there on your own
You are never alone

[Chorus]

Interlude 2

Cm G# D# A# Cm A# D# G#
Keep fighting the good fight

Bridge

Fm Cm
Just keep on singing, keep on dancing
G# D# /G A#
Joy will be your banner and my love will be your anthem
Fm Cm
You may never know, what your tomorrow holds
G# D# /G A#
But you can know that I am holding your tomorrow
