## Intro

**G**      **C**      **G**      **C**  
**Em**    **C**    **G**    **G**

## Verse 1

**G**  
Who for - gives our sin and heals our disease  
**Em**  
Who has crowned with love, those He's redeemed  
**D**                            **B**                            **C**  
Our Father in heaven, He gives us nothing but good things

## Verse 2

**G**  
He for - gets our past and welcomes us home  
**Em**  
Traded filthy rags for a ring and a robe  
**D**                            **B**                            **C**  
Our Father in heaven, He gives us nothing but good things

## Chorus 1

**G**                            **C**                            **G**  
Let everything that has breath praise the Lord  
                                  **C**                            **Em**  
Let everything that has breath praise the Lord  
                                  **C**                            **G**  
Oh my soul will      always praise      the Lord

## Verse 3

**G**  
He paid all our debts, canceled our shame  
**Em**  
Took the fear out of death, pulled us out of the grave  
**D**                            **B**                            **C**  
Our Father in heaven, He gives us nothing but good things  
**Em**    **D**  
It's good things

## Chorus 2

**G**                            **C**                            **G**  
Let everything that has breath praise the Lord  
                                  **C**                            **Em**  
Let everything that has breath praise the Lord  
                                  **C**                            **G**  
Oh my soul will      always praise the Lord
