Intro

F G Am7

Verse 1

I can boast to many works done out of insecurity
And credit many conversations to my immaturity
And while I'm misunderstood You are understanding me
And showing me how grace is enough

Verse 2

For everything that I've done right
Seems like a thousand I've done wrong
And I keep on losing count of all the s my flesh has won
And when the light of Christ that's in me
Is overshadowed by the fall
You're showing me how grace is enough

Pre-chorus

And When I feel unworthy, so undeserving

Chorus

Still I can come just as I am
Still I can come just as
For I find Your love is free of condition
I am, ah
So I will run to Your wide open arms where I
So I will run wide open arms
Am accepted and I am forgiven, grace is enough for me
Ah
Your grace is enough for me

Verse 3

I've been quick at passing judgment when I'm worthy of conviction
And at s I've measured virtue only based on my religion

But theology it seems is not the thing that's saving me
