Intro

G A Bm7

Verse 1

I can boast to many works done out of insecurity  
And credit many conversations to my immaturity  
And while I'm misunderstood You are understanding me  
And showing me how grace is enough

Verse 2

For everything that I've done right  
Seems like a thousand I've done wrong  
And I keep on losing count of all the s my flesh has won  
And when the light of Christ that's in me  
Is overshadowed by the fall  
You're showing me how grace is enough

Pre-chorus

And When I feel unworthy, so undeserving

Chorus

Still I can come just as I am  
Still I can come just as  
For I find Your love is free of condition  
I am, ah  
So I will run to Your wide open arms where I  
So I will run wide open arms  
Am accepted and I am forgiven, grace is enough for me  
Ah  
Your grace is enough for me

Verse 3

I've been quick at passing judgment when I'm worthy of conviction  
And at s I've measured virtue only based on my religion

But theology it seems is not the thing that's saving me
