

Happy Song Chords (Key of D)

by Martin Smith

<https://worshipchords.com/happy-song/>

D **A**
Oh I could sing unending songs
Bm **G**
Of how you saved my soul.
D **A**
And I could dance a thousand miles
Bm **G**
Because of Your great love.

D
My heart is bursting Lord
A
To tell of all You've done:
Bm
Of how you changed my life
G **A**
And wiped away the past.
D
I wanna shout it out!
A
From every rooftop sing,
Bm
For now I know that God
G **A**
Is for and not against me... (Chorus)

G **D**
Everybody's singing now, 'cause we're so happy.
G **D**
Everybody's dancing now, 'cause we're so happy.
Em
If only we could see Your face
G
And see You smiling over us,
Em **G**
And unseen angels celebrate
D
Hey! The joy is in this place!
