Verse 1

You said if my people  
Called by my name  
Would humble themselves, and pray  
That you'd hear from Heaven  
And from there You would pour out rain  
So we call on Your promise  
This oath that You made  
Though our sins are so many and so great

Pre Chorus

We confess them all, turn from them all  
We dare to take You at Your word

Chorus

Heal our land, Heal our cities  
Heal our people  
With your hand, touch this nation  
Send revival  
We still believe, You're more than able  
We still believe, You're not done with us  
Heal our land, heal this nation God
