Intro

G Cm G G Cm G

Verse 1

There is a moment, every heart needs a rescue
There is a season, every soul needs a breakthrough
Help from heaven, we all need, help from heaven

Verse 2

There is a whisper, a voice of hope inside you
There is an answer, a name above to guide you
Help from heaven, we all need, help from heaven
Help from heaven

Chorus 1

When the world is on our shoulders
And we need a hand to hold us
When no miracle is found still believe
When the sea of night surrounds us
And all questions try to drown us
Just believe, Just believe in
Help from heaven, help from heaven

Verse 3

There is a reason these tears have not been wasted
There is a future for all these broken pieces
Look to heaven, all we need
Is help from heaven, help from heaven

Chorus 2

When the road ahead is hidden
And we need a new beginning

When the battle's closing in, still believe, oh
